Making it easier

- Some questions refer to the reference week. The reference week is given on the front cover. Please enter it on the name flap.
- Please keep the name flap folded out while you complete the questionnaire. Please observe the order of the columns for the respective persons as given on the name flap.
- Please do not complete the establishment flap before you are asked to do so in the course of completing the questionnaire (question 178 on page 45).
- Please note the time before you begin filling out the questionnaire. At the end of the questionnaire you will be asked how long it took you to complete it.

We will guide you through the questionnaire.

- If possible, each person should answer the questions for him or herself. Information may be provided on behalf of children (under 15 years), people in need of care or people with disabilities who are not able to answer the questions for themselves.
- Not all questions will have to be answered by all persons. When there is an answer box with an arrow (jump instruction), the numeral beside the arrow indicates the question to be answered next by the relevant person.

Example	Person 1	Person 2	Person 3	Person 4	Person 5
Yes	<input checked="" type="checkbox"/> → 10	<input type="checkbox"/> → 10	<input type="checkbox"/> → 10	<input type="checkbox"/> → 10	<input type="checkbox"/> → 10
No	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

In the example, Person 1 answers “Yes” and goes to question 10. Person 2 answers “No” and goes to the next question.

- Jump instructions may differ between persons. This is why you should not complete the questionnaire for several persons at the same time as jump instructions are easily overlooked.
- When entering figures, please do so right-aligned.

Example | Hours per week

- If you wish to correct an answer, please do so as follows.

Example | Yes
 No

1 Living floor space

The total living floor space of the dwelling is the cumulative floor space of all rooms in the dwelling. Rooms outside the self-contained dwelling (e. g. mansards) and cellar and attic rooms converted for residential use also form part of the dwelling.

The living floor space of a rented dwelling is usually stated in the tenancy agreement.

If you calculate the living floor space yourself please include the individual areas as follows:

- the full living floor space of rooms with a clear height of at least 2 metres;
- half the living floor space of rooms or of floor areas under a sloping ceiling in rooms with a clear height of at least 1 metre but less than 2 metres;
- a quarter of the floor space of balconies, loggias, roof gardens.

2 Payment of rent in event of receipt of services from the Employment Agency (Employment Office)

Recipients of benefits whose rent is paid in full or in part by the employment agency (job centre) are to state the full amount of rent and incidental rental expenses paid to the landlord/landlady or property management.

3 Today's territory

"Today's territory" refers to the national borders of the Federal Republic of Germany as of 3 October 1990.

4 Citizenship German by birth

Please mark "German by birth" also in these cases:

- Expellees:
People who did not acquire German citizenship by birth but acquired it due to their **recognition as persons of ethnic German origin** in accordance with Section 1 of the Federal Expellees Act **and who immigrated to today's territory of Germany before 1950**, please mark "German by birth".
For those who immigrated in 1950 or later, please see the notes on ethnic German repatriates.
- If you were temporarily deprived of German citizenship that you had acquired by birth, please mark "German by birth".
- Children of a parent of German citizenship:
Children born within marriage to a German mother and a foreign father after 1 April 1953 and before 1 January 1975 and who, consequently, acquired German citizenship by means of a declaration or by naturalisation please mark "German by birth".
Children born outside marriage to a German father and a foreign mother before 1 July 1993 and who acquired German citizenship by naturalisation please mark "German by birth".
People who acquired German citizenship by legitimation (e. g. subsequent marriage of the parents of a child born outside marriage) by 30 June 1998 please mark "German by birth".
People who have acquired German citizenship since 2021 by means of a declaration in accordance with Section 5 of the Nationality Act please mark "German by birth".

- People born in Saarland:
People born in Saarland between 1947 and 1956, at least one of whose parents had German citizenship when the child was born, please mark "German by birth" even if they had French citizenship at the time of birth.

Ethnic German repatriates with and without naturalisation

- People who came to Germany as ethnic German repatriates between 1993 and 2000 received an official certificate of naturalisation (not a certificate in accordance with Section 7 of the Nationality Act). In this case, please mark "As a naturalised (ethnic) German repatriate".
- For people who have been granted German citizenship on the grounds of their eligibility for naturalisation as an ethnic German repatriate: please mark "As a naturalised (ethnic) German repatriate".
- For people with a certificate in accordance with Section 7 of the Nationality Act: please mark "As a non-naturalised (ethnic) German repatriate".

Notes on "German by naturalisation" in case of marriage

People who acquired German citizenship by marriage or by a declaration or naturalisation due to marriage please mark "German by naturalisation".

5 Partial retirement

The Act on Facilitating a Smooth Transition to Retirement provides the framework conditions for partial retirement agreements between employers and employees. The employment agency promotes part-time work arrangements for employees who reduce their working hours to half of the regular working time when they are 55 years old or older.

If you are in the release phase of partial retirement under the block model, please base all your answers regarding your job on the conditions that applied before the release phase commenced.

Example: Before the release phase, you were working full-time in an establishment and had a 39.5 hour working week. Then please enter this information in any questions regarding your occupation, branch of economic activity, duration of employment etc. For the question on the usual number of hours worked, you would then enter the contractually agreed working time of 39.5 hours. Your actual hours of work would be 0 hours.

6 Caregiver Leave Act/Family Caregiver Leave Act

Employees have the right to be temporarily released from work to look after close relatives at home. They may choose between two different release options:

Under the Caregiver Leave Act, employees may be released from work on a full-time or part-time basis for a maximum of six months to look after a close relative in need of care.

Since 2015 there has been a legal right to family caregiver leave. This allows employees to reduce their weekly working hours if they care for relatives in need of care in their home environment.

7 Categorisation of job

If you are self-employed and only employ unpaid family workers (no wage or salary), please mark the category "Self-employed without employees". Those who work freelance or on a contract basis are considered as self-employed, including people who provide tuition, give private lessons or babysit. If you work without pay in a business owned by a family member or relative, you are an unpaid family worker. If you receive pay for your work, please indicate "salary earner, wage earner".

Public officials include officials employed by the Protestant Church and the Roman Catholic Church. "Insurance officers" and "bank officers" should classify themselves as salary earners, wage earners. This category also includes skilled workers, semi-skilled workers and unskilled workers.

If you are an intern, a (paid) trainee or a volunteer in the Federal Volunteer Service in your additional job, please indicate "salary earner, wage earner".

8 Marginal employment

In the case of marginal employment, that is, a 538-euro job (also referred to as mini-job; with a pay of up to 538 euros per month on a yearly average basis), the employer pays flat-rate contributions to pension and health insurance and a lump-sum tax rate.

A job is also considered to be marginal employment if it is limited to a maximum of three months or 70 days worked per year.

People in a one-euro job continue to receive citizen's benefit plus an additional expenses allowance of usually 1 to 2 euros per hour worked.

9 Establishment (location)

An establishment is the location where you work (e. g. a shop, freelancer's office, agricultural holding, location of an enterprise, body governed by public law, etc.).

A location (e. g. a specific establishment of an enterprise) may comprise several separate work places (such as a production site, a warehouse and an administrative building all on the business premises). The people working at those work places belong to one and the same establishment.

The people working in an establishment include part-time workers, apprentices, working proprietors and unpaid family workers.

10 Stand-by duty

The whole period of stand-by duty is to be included in the weekly working hours. Stand-by duty means that an employee has to be on stand-by at a place specified by the employer to perform work if necessary.

This is to be distinguished from on-call duty. On-call duty means that the employee is free to decide where to stay. The employee is required to start work within reasonable time if the need arises. In this case, only the actual hours worked and the travelling time count as working time.

11 Main sources of livelihood

If you are in employment, this does not have to be your main source of livelihood (e. g. the living expenses of apprentices are often paid by their parents). If you pay your living expenses mainly from what you earn in marginal employment, please enter employment. Pensioners who are still in employment may live mainly on what they earn or on their pension, depending on the amount of benefits they receive.

Regular payments of life assurance companies (including benefits paid by pension funds of specific liberal professions such as doctors or pharmacists) are regarded as maintenance payments from own property.

12 Net income

Please also include:

- benefits paid to encourage capital formation,
- advances,
- rent paid for company-owned housing,
- interest received, dividends, other property income and similar amounts,
- income in kind (e. g. foodstuffs, free coal for miners).

Long-term care benefits in kind (provided by care homes and home care services) are not to be included here.

13 Statutory pension insurance

You have statutory pension insurance if you are insured with the German Federal Pension Insurance (Deutsche Rentenversicherung Bund, formerly BfA, LVA) or the German Pension Insurance Miners, Railway and Maritime (Knappschaft-Bahn-See).

This includes the statutory pension insurance of a foreign country (e. g. people who live in Germany but are employed subject to social insurance contributions in a neighbouring country).

- You also have statutory pension insurance if you
- pay contributions to the agricultural pension fund,
- work in a Federal Volunteer Service,
- do a year of voluntary work in the social, cultural or ecological sector,
- do voluntary military service, or
- do reserve duty training as a soldier.

Statutory pension insurance is compulsory mainly for wage earners, salary earners and certain self-employed persons (e. g. home workers with no more than two assistants from outside their family). Public officials and comparable salary earners (employees of health insurance institutions with public official status), self-employed persons (with few exceptions) and unpaid family workers without a working contract are exempted from compulsory pension insurance.

Contributions are paid for unemployed persons who receive unemployment benefit I. They are therefore regarded as liable to compulsory statutory pension insurance. With effect from 1 January 2011, contributions are no longer paid for unemployed persons receiving citizen's benefit. They are not liable to compulsory insurance.

This does not refer to company old-age pension schemes, public officials' pension scheme, occupational pension schemes and private old-age pension schemes (e. g. state-sponsored private pension plan according to "Riester", life assurance and the like).

Notification in accordance with Section 17 of the Federal Statistics Act (BStatG)¹ and with the General Data Protection Regulation (EU) 2016/679 (GDPR)²

Purpose, type and scope of the survey

The microcensus collects statistical data on the population and the labour market as well as on income, living conditions and housing circumstances of households on a representative basis. The data are collected based on different survey components. The survey units are persons, households and dwellings.

The purpose of the microcensus is to provide statistical data, with a detailed subject-related breakdown, on the population structure, the economic and social situation of the population, of families and households, on the labour market, the occupational structure and education of the labour force, and on the housing circumstances. It also serves to meet European obligations. Every year, up to one percent of the population may be surveyed. In every sampling district, the survey is conducted not more than four times within five consecutive calendar years. Data for the additional survey component concerning income and living conditions will be collected from a maximum of 12 percent of the microcensus respondents.

Legal basis, obligation to provide information

The legal basis is provided by the Microcensus Act (MZG), Regulation (EU) No 2019/1700, Implementing Regulations (EU) No 2019/2180, (EU) No 2019/2181, (EU) No 2019/2242, (EU) No 2022/2498, (EU) No 2023/2527 and (EU) No 2020/1721, Delegated Regulations (EU) No 2020/256, (EU) No 2020/258, (EU) No 2020/2175 and (EU) No 2023/167 in conjunction with the Federal Statistics Act (BStatG) and Article 6 (1) letter e) of the General Data Protection Regulation.

Data are collected in accordance with Section 6 (1) nos. 1 to 4, no. 5 letters a and b, nos. 6 to 10 and Section 8 (1) to (3) of the Microcensus Act.

The obligation to provide information is laid down in Section 13 of the Microcensus Act in conjunction with Section 15 of the Federal Statistics Act.

In accordance with those provisions, all adults and all minors living in households of their own are obliged to provide information, and in each case also on minor household members.

Any household member who is obliged to provide information is also obliged to provide information for adult household members who cannot do so themselves. If there is no other household member who is obliged to provide information and if a custodian has been appointed for the person not able to provide the information himself/herself, the custodian is obliged to provide the information to the extent that the custodian's duties include such provision of information. If a person who is unable to provide the information himself/herself nominates a trusted person to provide the required information on his/her behalf, the adult household members or the custodian will no longer be obliged to provide the relevant information.

Unless there are indications to the contrary, it is presumed, in accordance with Section 13 (8) of the Microcensus Act, that all people in the household who are obliged to provide information are also authorised to do so on behalf of the other people living in the household. This applies accordingly to confirmation of the data collected in the previous year. The legal presumption of authorisation can be objected to at any time.

The obligation to provide information on the auxiliary variable "first name and surname of the main tenant/owner-occupier" applies to the main tenant/owner-occupier or, alternatively, to the persons mentioned above.

If respondents provide no information or provide information which is incomplete, incorrect or late, they can be encouraged to provide the information through imposition of a coercive penalty in accordance with the Administrative Enforcement Acts of the Länder.

Pursuant to Section 23 of the Federal Statistics Act, a regulatory offence is committed by anyone who

- contrary to Section 15 (1), sentence 2, (2) and (5), sentence 1, of the Federal Statistics Act, wilfully or negligently provides no information, or provides information which is late, incomplete or untrue, or
- contrary to Section 15 (3) of the Federal Statistics Act does not give a reply in the prescribed format.
- The regulatory offence is punishable by a fine not exceeding five thousand euros.

Pursuant to Section 15 (7) of the Federal Statistics Act, objections and rescissory actions against the summons to provide information will have no suspensive effect.

Questions where the provision of information is voluntary are specially marked in the questionnaire.

The legal basis for evaluations of data on the type and extent of the provision of information (e.g. device used or time spent) is Section 6 (1), sentence 1, no. 2 of the Federal Statistics Act.

Controller

The controller responsible for processing your data is the statistical office responsible for your Land. The contact details are available at: <https://www.statistikportal.de/de/statistische-aemter>.

Confidentiality

The individual data collected are always kept confidential in accordance with Section 16 of the Federal Statistics Act. Individual data may be passed on only in exceptional cases explicitly regulated by law.

1 The up-to-date wording of the relevant national legal provisions can be found at <https://www.gesetze-im-internet.de/>. (search terms "Bundesstatistikgesetz" (BStatG) or "Mikrozensusgesetz" (MZG))

2 The EU legal acts in their up-to-date versions and in the German language are available on the website of the Publications Office of the European Union at: <https://eur-lex.europa.eu/>.

Individual data may in particular be transmitted to:

- public agencies and institutions within the official statistics network which are entrusted with the production of federal or European statistics (e. g. the statistical offices of the Länder, the Deutsche Bundesbank, the Statistical Office of the European Union [Eurostat]),
- service providers with whom a contractual relationship exists (here: Federal Information Technology Centre (ITZBund) as the IT service provider of the Federal Statistical Office, computer centres of the Länder).

A list of regularly contracted IT service providers can be found here: <https://www.statistikportal.de/de/statistische-aemter>.

Pursuant to Section 16 (6) of the Federal Statistics Act, institutions of higher education or other institutions tasked with independent scientific research may, for the purpose of carrying out scientific projects, be provided

1. with individual data if attributing the anonymised individual data to the relevant respondents or data subjects requires unreasonable effort in terms of time, cost and manpower (de facto anonymised individual data),
2. with access to individual data not including name and address (formally anonymised individual data) within specially protected areas of the Federal Statistical Office and the statistical offices of the Länder, if effective measures are in place to safeguard confidentiality.

Article 11 of Regulation (EU) No 2019/1700 establishing a common framework for European statistics relating to persons and households provides for the transmission of individual data to the Commission (Eurostat).

Pursuant to Article 7 (1) of Regulation (EU) No 557/2013 concerning access to confidential data for scientific purposes, Eurostat may - within its own access facilities or within other access facilities accredited by Eurostat - grant access to individual data not including name and address for scientific purposes.

Pursuant to Article 7 (2) of the Regulation, Eurostat may also share individual data for scientific purposes if the data have been modified in a way that reduces the risk of identifying the statistical unit to an appropriate level. Access pursuant to paragraph 2 may be granted provided that appropriate safeguards are in place in the research entity requesting access.

Persons receiving individual data are also obliged to maintain confidentiality.

Auxiliary variables, reference numbers, separation and deletion

The first names and surnames of the household members, the contact details of the household members, residential address, location of the dwelling in the building, first name and surname of the main tenant/owner-occupier of the dwelling, name and address of the household members' places of work, and the building age group are auxiliary variables which will only be used for the technical conduct of the survey. As soon as the survey and auxiliary variables have been checked for conclusiveness and completeness, the auxiliary variables will be separated from the information on the survey variables and will be kept separately or stored separately.

- Pursuant to Section 14 (5), sentence 1, of the Microcensus Act, the first names and surnames and the municipality, street, house number and contact details of the persons surveyed may also be used with regard to household relationships to conduct follow-up surveys in accordance with Section 5 (1) of the Microcensus Act.
- Pursuant to Section 14 (5), sentence 2, of the Microcensus Act, the information on the variables pursuant to Section 14 (5), sentence 1, of the Microcensus Act may also be used as a basis for recruiting suitable persons and households to conduct household budget surveys and other voluntary surveys.
- Pursuant to Section 9 (3) of the Act regarding the testing of a register census, the statistical offices of the Länder store the first names and surnames, residential address, municipality and association of municipalities, sex, calendar month and calendar year of birth, marital status, country of birth, calendar year of arrival in Germany, or calendar year of return to Germany in case of absence of more than twelve months, and citizenships as well as the education variables pursuant to Article 6 (1) no. 7 letters a to c and no. 8 of the Microcensus Act. First names and surnames as well as the residential address shall be deleted not later than six years after microcensus processing has been finished.

Information on the survey variables is processed and stored for as long as necessary to comply with the legal obligations.

All survey documents as well as the auxiliary variables and the reference numbers originally allocated will be destroyed or deleted after the processing of the last follow-up survey has been finished.

The sampling district number, the building number, the dwelling number, the household number and the person number are used as reference numbers. They are used to establish the household, dwelling and building relationships; they do not comprise any data which extend beyond the survey and auxiliary variables. These numbers will be replaced by new reference numbers which do not comprise any data on personal or material circumstances extending beyond these statistical relationships.

Rights and duties of the interviewers, ways of providing information

Volunteer interviewers may be employed to reduce the burden on the respondents. The survey may also be conducted in writing, however. The interviewers have to provide proof of their authorisation. Their reliability and discretion must be ensured and they have specially been obligated to maintain confidentiality. They must not use information gained in the course of their activity in other processes or for other purposes. This obligation continues to apply after their activity has ended.

If interviewers are used for telephone or face-to-face surveys, their task is to help the respondents to answer the questions. The answers to the questions in the questionnaires may be provided orally to the interviewers or the survey office staff, or by electronic means or in writing.

For the written survey, the respondents receive the questionnaires, including information on how to complete them, directly from the interviewer or from the relevant survey office. If the information is provided in writing, the completed questionnaires may be given to the interviewer during the onsite, face-to-face interview or may be handed in or sent to the survey office. Please do not send the written questionnaires by electronic means as this is not a secure transmission channel.
